

**Volunteer Opportunities:** We ask that you agree to volunteer a minimum of 5 hours over the course of the full season to assist our non-profit organization. A list of volunteer activities will be shared throughout the season. Activities may include ushering at events, helping to set up at rehearsals and special events, assisting a music librarian, etc.

I have read and understand what is expected of me as a member of the Fenton Community Orchestra organization. By signing this document, I agree to accept all the responsibilities of being in the orchestra, and I agree to give my best effort each week at rehearsals and with my home practice.
